

The most EFFECTIVE SKINCARE REGIMES incorporate three components: REPAIR, TRANSFORMATION and OPTIMIZATION

KEEPING UP with skincare innovations is a full-time job these days. From skin immunity-boosters to super-powered peptides to exotic antioxidants, chemists are working around the clock to develop new serums, moisturizers and creams that keep us looking younger, longer. But what constitutes a modern skincare regime in 2015? We sat down with Art Pellegrino, VP of Research & Development at Elizabeth Arden in New York City recently.
